 <p>The screenshot shows a configuration window for a widget named 'DemoPoints'. It includes a 'Data Providers' section with 'DemoPoints' and 'KWH_savings_MTD (%)'. There is a 'Display Name' field set to 'Series'. A 'Datatip' section contains a small chart area with a green checkmark and a question mark icon. The 'Data Definition' section shows 'Ord station: slot:/DemoPoints' and 'Metrics KWH_savings_MTD (%)'. A 'Max Live Mode P...' field is set to '1000'. At the bottom, there is a 'Delete series' button with a red minus icon.</p>
